Respondents-Defendants hereby provide the Court and opposing counsel with notice that **JUAN CARLOS ILLICACHI-SHIGLIA** will be transferred out of the Bristol County House of Corrections to facilitate his removal from the United States no sooner than 10:00 a.m. on Tuesday, June 2, 2020. He has been tested for COVID-19 using an FDA-approved RT-PCR test received negative results. With that transfer, the number of immigration detainees remaining at Bristol County House of Corrections is 72.

Respectfully submitted,

ANDREW E. LELLING, United States Attorney

<sup>&</sup>lt;sup>1</sup> FDA has approved a number of vendors' tests on an interim basis pursuant to what it calls an Emergency Use Authorization or "EUA." Upon information and belief, this is a fast-track review process that does not lead to a complete approval, but instead a temporary emergency approval in light of the pandemic. *See, e.g.*, https://www.fda.gov/emergency-preparedness-and-response/mcm-legal-regulatory-and-policy-framework/emergency-use-authorization (accessed 5/28/20). Defendants understand the Court's order to include EUA-approved tests as acceptable.
